Whether you plan to attend the annual meeting or not, it is important that you cast your vote either in person or by proxy. **None of our stockholders own more than 10% of our outstanding shares so every vote is important to us.** Therefore, when you have finished reading the Proxy Statement, you are urged to vote in accordance with the instructions set forth in the Proxy Statement. PLACE: 1282 Pacific Oaks Place, Escondido, California, 92029

PURPOSE:

Proposal 1: To elect eight (8) members to serve on our Board of Directors until the 2017 annual meeting of stockholders and until their respective successors are duly elected and qualify;

Proposal 2: To consider and vote upon the ratification of the selection of Squar Milner LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016;

Proposal 3: To consider and vote upon the transaction of such other business as may properly come before the meeting or any postponement or adjournment thereof.

The foregoing items of business are more fully described in the attached proxy statement, which forms a part of this notice and is incorporated herein by reference.

WHO MAY VOTE:

Our Board of Directors has fixed the close of business on March 31, 2016 as the record date for the determination of stockholders entitled to notice of, and to vote at, the annual meeting or any adjournment or postponement thereof.

Pursuant to the rules of the Securities and Exchange Commission rules, this year we have elected to furnish proxy materials to our stockholders over the Internet. Alternatively, we are sending full set proxy materials to some of our stockholders and to any stockholder who has elected to receive proxy materials by mail. We believe that this combination of the e-proxy process and the full set mailing will ensure our stockholders' receipt of proxy materials, lower the cost of the proxy and mailing, reduce the environmental impact of our annual meeting, and help ensure that we can meet quorum. Accordingly, we will send either a Notice of Internet Availability of Proxy Materials or a full set of proxy materials on or about April 11, 2016, and provide access to our proxy materials over the Internet beginning on April 11, 2016 for the beneficial owners of our common stock as of the close of business on the record date. If you receive a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review this proxy statement and our annual report, how to authorize your proxy online or by telephone, and how to receive a printed copy of our proxy materials.

Your proxy is important. Whether or not you plan to attend the annual meeting, please authorize your proxy by Internet or telephone, or, if you received a paper copy of the materials by mail, by marking, signing, dating and returning your proxy card, so that your shares will be represented at the annual meeting. If you plan to attend the annual meeting and wish to vote your shares personally, you may do so at any time before the proxy is voted.

All stockholders are cordially invited to attend the meeting.

PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
To Be Held on June 29, 2016 at 8:30 a.m. P.D.T.

This Proxy Statement is furnished to the stockholders of NetREIT, Inc. a Maryland corporation, in connection with the solicitation by the Board of Directors of the Company (the “Board” or “Board of Directors”) of your proxy to be voted at the 2016 annual meeting of the stockholders of the Company (the “Annual Meeting”) to be held on Wednesday, June 29, 2016 at 8:30 a.m., P.D.T., at our corporate headquarters, 1282 Pacific Oaks Place, Escondido, California, 92029 and at any postponements or adjournments thereof. References in this Proxy Statement to “the Company,” “NetREIT,” “we,” “us,” “our” or like terms also refer to NetREIT, Inc. The mailing address of our corporate office is 1282 Pacific Oaks Place, Escondido, California 92029. As described in detail in this Proxy Statement, in addition to mailing copies of our proxy materials to our stockholders, we have chosen to also deliver this Proxy Statement, its accompanying proxy materials, and our 2015 Annual Report (the “Annual Report”) electronically by posting them on our website and mailing either Notices of Internet Availability of Proxy Materials or full set proxy materials to stockholders on or about April 11, 2016. This Proxy Statement and the accompanying proxy materials (together with our Annual Report) are also posted on our website at www.netreit.com.

Important Information Regarding Delivery of Proxy Materials

What is “Notice and Access”?

“Notice and access” generally refers to rules governing how companies must provide proxy materials. Under the notice and access model, a company may select either of the following two options for making proxy materials available to stockholders:

- the full set delivery option; or
- the notice only option.

A company may use a single method for all its stockholders, or use full set delivery for some while adopting the notice only option for others.

What is the Full Set Delivery Option?

Under the full set delivery option, a company delivers all proxy materials to its stockholders. This delivery can be by mail or, if a stockholder has previously agreed, by e-mail. In addition to delivering proxy materials to stockholders, the company must also post all proxy materials on a publicly accessible website and provide information to stockholders about how to access that website.

What is the Notice Only Option?

Under the notice only option, a company must post all its proxy materials on a publicly accessible website and deliver a Notice of Internet Availability of Proxy Materials. The notice includes, among other matters:

- information regarding the date and time of the meeting of stockholders as well as the items to be considered at the meeting;
- information regarding the website where the proxy materials are posted; and
- the means by which a stockholder can request paper or e-mail copies of the proxy materials.

If a stockholder requests paper copies of the proxy materials, we will send these materials to the stockholder within three business days via first class mail.

In connection with its Annual Meeting, NetREIT has elected to use both the Notice Only option and the Full Set option. Accordingly, you should have received either the NetREIT Notice of Internet Availability of Proxy Materials by mail which included instructions on how to access and view the materials and vote online or by telephone, or a full set paper copy of the Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2015.

You may view your proxy materials, including our Annual Report and proxy card online by going to www.proxydocs.com/NetREIT. If you received Notice Only and prefer a paper copy of the proxy materials, you may request one by calling 1-866-648-8133, by email at paper@investorelections.com, or via the internet at www.investorelections.com/NetREIT. You will also have the opportunity to make a request to receive paper copies for all future meetings or only for the 2016 Annual Meeting.

PURPOSE OF THE MEETING

At the Annual Meeting, the stockholders of the Company will be asked:

Proposal 1: To elect eight (8) members to serve on our Board of Directors until the 2017 annual meeting of stockholders and until their respective successors are duly elected and qualify;

Proposal 2: To consider and vote upon the ratification of the selection of Squar Milner LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016;

Proposal 3 To consider and vote upon the transaction of such other business as may properly come before the meeting or any postponement or adjournment thereof.

QUORUM

The presence, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast on a matter will constitute a quorum at the Annual Meeting. Votes "for" and "against," "abstentions", and "broker non-votes" will all be counted as present to determine whether a quorum has been established. If a quorum is not present, the chairman of the meeting or the stockholders entitled to vote at the Annual Meeting, present in person or by proxy, may adjourn the Annual Meeting to a date not more than sixty (60) days after the original record date without notice other than announcement at the meeting. The persons named as proxies will vote in favor of any such adjournment.

VOTING RIGHTS

Only holders of record of outstanding shares of our common stock at the close of business on March 31, 2016 are entitled to receive notice of and to vote at the Annual Meeting or any postponement or adjournment of the meeting. As of the record date, there were issued and outstanding 17,374,767.749 shares of common stock. Each share of common stock entitles the holder thereof to one vote for as many individuals as there are directors to be elected at the Annual Meeting and one vote on each other matter properly brought before the Annual Meeting.

VOTING PROCEDURES

An abstention from voting on any proposal and broker non-votes are considered present for the purpose of determining the presence of a quorum. A "broker non-vote" occurs when a bank, broker, or other holder of record holding shares for a beneficial owner does not vote because that holder does not have discretionary voting power

and has not received voting instructions from the beneficial owner. Brokers no longer have the discretion to vote your shares without receiving voting instructions from you in an uncontested election of directors. This is a very important change to the process that many investors may have relied on when considering whether to return voting instructions. As a result, if you don't complete the voting instructions, your votes will not be cast for the election of directors.

Telephone and Internet voting for all stockholders of record will be available 24-hours a day, and will close at 11:59 p.m., P.D.T., on Tuesday, June 28, 2016. Attendance at the Annual Meeting will not revoke a previously submitted proxy unless you actually vote in person at the meeting. For shares you hold beneficially in street name, you may change your vote by submitting a new voting instruction to your broker or other nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker or other nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

VOTE REQUIRED

Voting for the election of directors in Proposal 1 will be cumulative if, prior to commencement of the voting, a stockholder gives us notice of his or her intention to cumulate votes. If any stockholder gives such a notice, then every stockholder will be entitled to such rights, in which case, you may cumulate your total votes and cast all of your votes for any one or a combination of director nominees. In cumulative voting, your total votes equal the number of director nominees multiplied by the number of shares of common stock that you are entitled to vote. In the event that a quorum is not present and the meeting is not convened, each of the Company's current directors will remain in office and continue to serve until their successors are duly elected and qualify. You may vote FOR all of the nominees or WITHHOLD your vote from all of the nominees. In the event of cumulative voting, the eight (8) nominees for the Board who receive the most votes will be elected. If no stockholder provides notice of an intention to cumulate votes in the election of directors, directors will be elected by the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. In the event of cumulative voting, withhold votes, abstentions, and broker non-votes, if any, will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. In the event that votes are not cumulated in the election of directors, abstentions and broker non-votes, if any, will have the same effect as votes against the director nominees.

Approval of Proposal 2 requires the affirmative vote of a majority of the shares of common stock represented in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions and broker non-votes, if any, will be considered present for the purpose of determining the presence of a quorum and, therefore, will have the same effect as a vote against the proposal.

SOLICITATION OF PROXIES

If you cannot attend the meeting, the accompanying proxy card should be used to instruct the persons named as proxies to vote your shares in accordance with your directions. The persons named in the accompanying proxy card will vote shares represented by all valid proxies in accordance with the instructions contained therein. In the absence of instructions, shares represented by properly executed proxies will be voted FOR the election of the eight (8) individuals designated hereinafter as nominees for the Board, and FOR ratification of the selection of Squar Milner LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016. As to any other business which may properly come before the Annual Meeting and be submitted to a vote of the stockholders, proxies received by the Board of Directors will be voted in the discretion of the named proxy holders.

Attendance at the Annual Meeting will not revoke a previously submitted proxy unless you actually vote in person at the meeting. For shares you hold beneficially in street name, you may change your vote by submitting a new voting instruction to your broker or other nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker or other nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

If you are a stockholder of record, you may revoke a proxy at any time before it is voted at the Annual Meeting by:

- (a) delivering a proxy revocation or another duly executed proxy bearing a later date to the Secretary of the Company at 1282 Pacific Oaks Place, Escondido, CA 92029; or
- (b) attending the Annual Meeting and voting in person; or
- (c) authorizing a proxy to vote via the Internet or by telephone with new voting instructions.

The expense of soliciting proxies, including the cost of preparing and mailing the Notice of Internet Availability of Proxy Materials for the Stockholders Meeting, the Annual Report, and the cost of Internet and telephone posting and voting will be paid by the Company. In addition to solicitation by mail, our directors, officers and employees and representatives from RR Donnelly, P.O. Box 932721, Cleveland, OH 44193 and Mediant Communications, 3 Columbus Circle, Suite 2110, New York, NY 10019, may solicit proxies by telephone, Internet or otherwise. Our directors, officers and employees will not be additionally compensated for the solicitation, but may be reimbursed for their out-of-pocket expenses. The Company will pay RR Donnelly and Mediant Communications a fee to maintain the Internet and telephone voting services and, if necessary, perform the solicitation of proxies. RR Donnelly and Mediant Communications will receive a fee of approximately \$7,500 for such services and will be reimbursed for its out-of-pocket expenses, but did not require the Company to advance any payment in anticipation of incurring those costs. Brokerage firms, fiduciaries and other custodians who forward soliciting material to the beneficial owners of shares held of record by them will be reimbursed for their reasonable expenses incurred in forwarding such materials.

CONFIDENTIALITY

The Company will keep all the proxies, ballots and voting tabulations private, except as necessary to meet applicable legal requirements. We will permit the Inspector of Elections and our outside legal counsel to examine these documents. The Company will, however, disclose the total votes received for and against each proposal in a Form 8-K filing following the Annual Meeting as required by law.

ELECTRONIC DELIVERY OF COMPANY STOCKHOLDER COMMUNICATIONS

Company stockholders will be able to view the Proxy Statement and Annual Report over the Internet at www.proxydocs.com/NetREIT in addition to receiving paper copies in the mail. Board Independence

The Board has determined that each of the Company's current directors and nominees, except for Mr. Heilbron, Mr. Elsberry and Mr. Dubose, has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and is "independent" within the meaning of the and the Company's director independence standards. The Board established and employed the following categorical standards (which are at least as restrictive as the "independent" standards of the NYSE MKT Rules) in determining whether a relationship is material and thus would disqualify such director from being independent:

The director is, or has been within the last three (3) years, an employee of the Company or of any of its subsidiaries;

- An immediate family member of the director is, or has been within the last three (3) years, an executive officer of the Company or any of its subsidiaries;
- The director (or an immediate family member of the director) received during any twelve-month period within the last three (3) years, more than \$120,000 in direct compensation from the Company and/or any of its subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- The director was affiliated with or employed within the last three (3) years by the Company's present or former (internal or external) auditor or an immediate family member of the director was affiliated with or employed in a professional capacity by the Company's present or former (internal or external) auditor;
- The director (or an immediate family member of the director) is, or has been within the last three (3) years, employed as an executive officer of another company where any of the Company's executives serve or served on that company's compensation committee;
- The director is a current employee, or an immediate family member of the director is a current executive officer of another company that made payments to, or received payments from the Company or any of its subsidiaries for property or services in an amount which, in any of the last three (3) fiscal years, exceeds the greater of \$200,000, or five percent (5%) of such other company's consolidated gross revenues;
- The director (or an immediate family member of the director) was, within the last three (3) years, an affiliate or executive officer of another company which was indebted to the Company, or to which the Company was indebted, where the total amount of either company's indebtedness to the other was five percent (5%) or more of the Company's total consolidated assets or the total consolidated assets of the company on which he or she served as an affiliate or executive officer;
- The director (or an immediate family member of the director) was, within the last three (3) years, an officer, director or trustee of a charitable organization where the Company's (or an affiliated charitable foundation's) annual discretionary charitable contributions to the charitable organization exceeded the greater of \$1 million or five percent (5%) of that organization's consolidated gross revenues.

An "Affiliate" includes any person beneficially owning in excess of 10% of the voting power of, or a general partner or managing member of, a company.

Meetings and Attendance

The Board met five (5) times during 2015 and the various committees of the Board met a total of nine (9) times. For the 2015 fiscal year, all directors attended at least 97% of the total number of meetings of the Board and of the committees of the Board on which the director served during the year. Although the Company has no policy with regard to Board members' attendance at the Company's annual meeting of stockholders, it is customary for, and the Company expects, all Board members to attend. Since the Company was unable to achieve a quorum, the

2015 Annual Stockholder’s Meeting was never held. To ensure free and open discussion among the Independent Directors of the Board, if necessary, the Independent Directors may meet prior to Board meetings.

Diversity

Although our Company does not have a formal policy for the consideration of diversity in identifying nominees for director, our Nominating and Corporate Governance Committee recognizes the benefits associated with a diverse Board and strives to create diversity in the Board as a whole when identifying and selecting nominees. Our Nominating and Corporate Governance Committee utilizes a broad conception of diversity, including diversity of professional experience, background, skills, areas of expertise and perspective. These factors, the additional factors described above under “Director Qualifications”, and others are considered useful by our Nominating and Corporate Governance Committee and are reviewed in terms of assessing the needs of our Board at any particular point in time. Our Nominating and Corporate Governance Committee focuses on having a Board which collectively possesses a broad range of talent, skill, expertise and experience useful to the effective oversight of our Company’s business and affairs. On an annual basis, as part of our Board’s self-evaluation, our Board assesses whether the overall mix of our Board members is appropriate for our Company.

Board Leadership Structure and Role in Risk Oversight

The Company believes the chosen leadership structure is the most appropriate for the Board’s size and business. Since our inception, Mr. Jack K. Heilbron has served as both Chairman of the Board and Chief Executive Officer. The Company also has a Lead Independent Director, currently Mr. William Allen, Chair of the Audit Committee. As Lead Independent Director, Mr. Allen is able to monitor and address any compliance issues, improprieties, or ethical considerations, including anonymous submissions by Company employees, outside of the chain of senior management.

The Board believes the combined role of Chairman and Chief Executive Officer, together with a Lead Independent Director, is in the best interest of the Company because it provides the appropriate balance between strategic development and independent oversight of management.

Compensation Risk Assessment

We believe that our compensation programs do not encourage unnecessary or excessive risk taking that could have a material adverse effect on our Company. In establishing and reviewing our executive compensation program, the Compensation Committee considers whether the program encourages unnecessary or excessive risk taking and has concluded that it does not. Base salaries are fixed in amount and thus do not encourage risk taking. In addition, the Compensation Committee believes that the annual bonus program appropriately balances risk and the desire to focus executives on short-term goals important to our success without putting undue emphasis on any particular performance measure or encouraging unnecessary or excessive risk taking. Furthermore, a significant portion of the compensation provided to our named executive officers is in the form of equity awards that are important to help further align executives’ interests with those of our stockholders. The Compensation Committee believes that these awards do not encourage unnecessary or excessive risk taking since the ultimate value of the awards is tied to the value of our stock, and grants are subject to vesting or retention schedules to help ensure that executives always have significant value tied to our long-term stock performance.

Code of Ethics and Business Conduct

The Board has adopted a Code of Ethics and Conduct (“Code”) for the Company that applies to all officers and employees, including its chief executive officer, chief financial officer, and principal accounting officer. The Code is posted under the “Company” section of the Company’s web site at www.netreit.com. To the extent required by applicable SEC rules, we intend to post any future amendments to or waivers from the Code promptly following the date of such amendment or waiver on our website at www.netreit.com under “Company.”

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors of NetREIT, Inc. is comprised of Mr. Sumner J. Rollings (Chairman), Mr. Thomas E. Schwartz, and Ms. Shirley Y. Bullard. All the members of the Nominating and Corporate Governance Committee are “independent” within the meaning of the NYSE MKT Rules and the Company’s director independence standards. The Nominating and Corporate Governance Committee met twice during 2015. The Nominating and Corporate Governance Committee’s principal responsibilities include:

- Reviewing the purpose, structure and membership of the committees of the Board;
- Reviewing the succession planning for the Company’s executive management;
- Assisting the Board in developing and implementing the Company’s corporate governance guidelines;
- Considering questions of possible conflicts of interest of the Board members, as such questions arise;
- Determining the size, needs and composition of the Board and its committees;
- Monitoring a process to assess the effectiveness of the Board; and
- Recommending nominations to the full Board.

Stockholder Nominations for Directors

The Nominating and Corporate Governance Committee’s policy is to consider candidates recommended by stockholders. The stockholder must submit a resume of the candidate and an explanation of the reasons why such stockholder believes the candidate is qualified for service on the Board and how the candidate satisfies the Board criteria noted above. The stockholder must also provide such other information about the candidate as would be required by the rules of the U.S. Securities and Exchange Commission (the “SEC”) to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate to serve as a director if elected and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of ownership of the Company’s shares of stock. See “Stockholder Proposals for 2017 Annual Meeting” in this Proxy Statement. All communications are to be directed to the Chairman of the Nominating and Corporate Governance Committee, c/o the Corporate Secretary, NetREIT, Inc. 1282 Pacific Oaks Place, Escondido, California, 92029. Properly submitted stockholder recommendations will be evaluated by the Nominating and Corporate Governance Committee using the same criteria used to evaluate other director candidates.

Compensation Committee

During 2015, the Compensation Committee was comprised of Ms. Shirley Y. Bullard (Chair) and Mr. Sumner J. Rollings. All of the members of the Compensation Committee are “independent” within the meaning of the NYSE MKT Rules and the Company’s director independence standards. The Compensation Committee met twice during 2015. The Compensation Committee’s principal responsibilities include:

- Ensuring that the total compensation paid to our executive leadership team is fair, reasonable and competitive;
- Assessing the Company’s financial and non-financial performance against a number of factors it considers significant and relevant;
- Evaluating the executive officers’ performance and setting their compensation levels;
- Reviewing and providing oversight of the Company’s compensation philosophy and approving the establishment of competitive targets for all equity-based plans requiring stockholder approval;

- Reviewing the design and management of the significant employee benefits programs; and
- Reviewing eligibility criteria and award guidelines for corporate-wide compensation programs that management level employees participate in, including bonus plans, stock option and other equity-based programs, deferred compensation plans and any other cash or stock incentive programs.

The Compensation Committee reviews and approves the Company’s executive compensation philosophy to ensure that it is aligned with the Company’s business strategy and objectives, encourages high performance, promotes accountability and assures that employee interests are aligned with the interests of the Company’s stockholders.

COMPENSATION NARRATIVE

Overview of Compensation Program

The Compensation Committee is responsible for establishing, implementing and continually monitoring adherence with our compensation philosophy. The Compensation Committee ensures that the total compensation paid to our executive leadership team is fair, reasonable, and competitive. Generally, the types of compensation and benefits provided to members of our executive leadership team, including the named executive officers, are similar to those provided to other executive officers of other real estate investment trusts (“REITs”). The following Compensation Narrative explains our compensation philosophy, objectives, policies, and practices with respect to our named executive officers to whom we refer to collectively as our “Executive Officers”, as determined in accordance with applicable SEC rules.

Compensation Objectives and Philosophy

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company and that aligns executives’ interests with those of the stockholders by rewarding performance above established goals with the ultimate objective of improving stockholder value. The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain employees in key positions with superior ability, experience and leadership capability and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Compensation Committee believes that executive compensation packages provided by us to our executives, including our Executive Officers, should include both cash and share-based compensation that rewards performance measured against established goals.

The Compensation Committee believes that measures such as growth in assets and number of properties, rental income, and funds from operations (“FFO”)¹ play an important part in setting compensation; however, the Compensation Committee also recognizes that often outside forces beyond the control of management, such as economic conditions, capital market conditions, changing retail and real estate markets, and other factors, may contribute to less favorable near-term results. The Compensation Committee also strives to assess whether management is making appropriate strategic decisions that will allow us to succeed over the long term and build long-term stockholder value. These may include ensuring that we have the appropriate leasing and acquisition

¹ FFO is widely used as a key measure of financial performance by REITs. The National Association of Real Estate Investment Trusts (“NAREIT”) defines FFO as net income (loss) (computed in accordance with generally accepted accounting principles), excluding gains (or losses) from extraordinary items and sales of depreciated operating properties, plus real estate related depreciation and amortization, impairment write-downs of real estate and write-downs of investments in an affiliate where the write-downs have been driven by a decrease in value of real estate held by the affiliate and after adjustments for unconsolidated joint ventures. For a reconciliation of FFO to net income, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Non-GAAP Supplemental Financial Measure: Funds From Operations (“FFO”)” in our Annual Report on Form 10-K for the year ended December 31, 2015.

pipelines to ensure a future stream of recurring and increasing revenues, assessing our risks associated with real estate markets and tenant credit, managing our debt maturities, and determining whether our staffing and general and administrative expense is appropriate given our projected operating requirements.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes compensation decisions with respect to the compensation of Mr. Jack K. Heilbron, our Chairman, President and Chief Executive Officer, Mr. Kenneth W. Elsberry, our Chief Financial Officer, and Mr. Larry Dubose, CFO & Treasurer of NetREIT Dubose Model Home REIT, Inc., and Chief Executive Officer of NetREIT Advisors LLC, and establishes the general parameters within which it establishes the compensation for our other Executive Officers and senior management team. The Compensation Committee also approves recommendations regarding equity awards to all of our other officers and employees.

Mr. Heilbron reviews the performance of our Executive Officers and management team annually and makes recommendations to the Compensation Committee with respect to salary adjustments, bonuses and equity award amounts. The Compensation Committee can exercise its discretion in modifying any recommended adjustment or award. The Compensation Committee also reviews the performance of our Executive Officers.

Peer Groups for Executive Compensation Purposes

The Compensation Committee reviewed a comprehensive schedule of publicly-traded REITs based on information contained in their proxy statements on SEC Schedule 14A to assist it in considering the compensation for our Executive Officers and in determining an appropriate peer group of REITs in connection therewith. The peer group had total capitalization ranging from approximately \$335.4 million to \$785.5 million. There is no public market for NetREIT securities, therefore, total capitalization for NetREIT is not readily available but is less than the maximum of the initial peer group. The peer group average capitalization was \$471.5 million dollars. The average total compensation for the refined peer group was approximately \$2.6 million and \$1.2 million for their Chief Executive Officer and Chief Financial Officer, respectively.

As some of our peer group still has a greater capitalization than NetREIT, we have further discounted our compensation metrics in order to more appropriately compare our compensation metrics to the peer group.

Comparison of Executive Compensation to Peer Group

	Jack Heilbron	Larry Dubose	Kenneth Elsberry
Base Salary	\$ 308,711	\$ 62,500	\$ 205,962
Cash Bonus	150,000	75,000	106,000
Stock	145,000	75,000	104,000
Other	85,049	23,974	21,885
Total Compensation	\$ 688,760	\$ 236,474	\$ 437,847
Peer Group Average	\$2,579,000	\$ 590,000	\$1,175,000

As we are able to grow our capitalization in relation to the peer group, it is anticipated that this additional discount will be reduced and that, as our total capitalization becomes more comparable, we will not utilize the discount.

Total Compensation

In setting compensation for our Executive Officers and management team, the Compensation Committee focused on total annual compensation as well as the components of total annual compensation. For this purpose, total annual compensation consists of base salary, cash incentives at target levels of performance, and long-term equity incentive compensation in the form of restricted stock. In setting the total annual compensation for our

Executive Officers, the Compensation Committee evaluates market data and information on the performance of each Executive Officer for the prior year as well as comparing salaries in the peer group. This evaluation is comprised of both quantitative assessment as well as qualitative assessment. The target levels for the total annual compensation of our Executive Officers and management team are less than the average of the peer group, primarily due to the size and the nature of being a nontraded REIT. We believe that this is an appropriate target that contemplates both the quantitative and qualitative elements of each position and rewards for performance. In addition, each Executive Officer has corporate level quantitative goals, qualitative strategic goals and team oriented goals. The Compensation Committee believes that this approach allows us to attract and retain skilled and talented executives to guide and lead our business and supports a “pay for performance” culture.

Annual Cash Compensation

Base Salary. Each of our Executive Officers receives a base salary to compensate him for services performed during the year. When determining the base salary for each of our Executive Officers, the Compensation Committee considers the market levels of similar positions, discounted for size, at the peer group companies, the performance of the Executive Officer, the experience of the Executive Officer in his position, and the other components of compensation and total compensation. The base salaries of our Executive Officers are established by the terms of their employment agreements. The Executive Officers are eligible for annual increases in their base salaries as determined by the Compensation Committee. Due to the slower than expected recovery of the capital needs of the residential home builder industry and the resulting effect on the growth of our model home business, Mr. Dubose volunteered to temporarily reduce his base salary in 2015 to \$62,500 with the stipulation that his bonus in 2015, depending on the targets set, would be based on his previous salary base.

Annual Non-Equity Compensation. The Compensation Committee’s practice is to provide a significant portion of each Executive Officer’s compensation in the form of an annual cash bonus. These annual bonuses are primarily based upon quantifiable company performance objectives. This practice is consistent with our compensation objective of supporting a performance-based environment. The Compensation Committee makes an annual determination as to the appropriate split between company-wide and Executive specific goals based upon its assessment of the appropriate balance. Each year, the Compensation Committee sets for the Executive Officers the threshold, target, and maximum bonus that may be awarded to those officers if the threshold goals are achieved.

For 2015, the Compensation Committee established the following goals for Mr. Heilbron and set a target cash bonus of 60% of base salary:

2015 Goal	2015 Actual	% of Company Goal	Incentive paid, as Percentage of Base Salary
Increase Modified Funds From Operations (MFFO)	MFFO increased by 26%	85%	7%
Strategic initiatives and advancement toward IPO	Increased assets by \$37 million/reduced diversification	75%	25%
Increase size of portfolio	Increased by 36%	100%	18%

For 2015, the Compensation Committee established the following goals for Mr. Kenneth Elsberry, Chief Financial Officer and set a target cash bonus of 60% of base salary:

2015 Goal	2015 Actual	% of Company Goal	Incentive paid, as Percentage of Base Salary
Increase MFFO	MFFO increased by 26%	85%	15%
Increase Portfolio	Increased assets by \$37 million/reduced diversification	100%	9%
Prepare budgets on a timely and accurate basis	Achieved	100%	12%
Strategic initiatives and advancement toward IPO	Increased assets by \$37 million/reduced diversification	75%	11%
Increase revenue per employee	77% increase	100%	3.0%
Financial Reporting	On time and more efficient	100%	3%

For 2015, the Compensation Committee established the following goals for Mr. Larry Dubose, CFO & Treasurer of NetREIT Dubose Model Home REIT, Inc., and Chief Executive Officer of NetREIT Advisors LLC, and set a target cash bonus of 50% of his 2014 base salary:

2015 Goal	2015 Actual	% of Company Goal	Incentive paid, as Percentage of Base Salary
Execute and raise capital	Commenced formation of new limited partnerships	25%	3.8%
Renew lines of credit and reduce interest rate.	Set up new line with new bank; renewed existing lines at 25% reduction in rate	100%	10.0%
Increase builder pipeline.	Final negotiation with two new builders for acquisitions of 26 model homes	50%	12.5%

Based upon performance, the Compensation Committee awarded Mr. Heilbron a bonus of \$150,000, which was 81% of his target bonus, Mr. Elsberry a bonus of \$106,000, which was 84% of his target bonus, and Mr. Dubose a bonus of \$75,000, which was 23% of his target bonus.

Long-Term Incentive Compensation

We award long-term equity incentive grants to our Executive Officers as part of our overall compensation package. These awards are consistent with our policies of fostering a performance-based environment and aligning the interests of our senior management with the financial interests of our stockholders. When determining the amount of long-term equity incentive awards to be granted, the Compensation Committee considered, among other things, the following factors, based upon current year performance and three-year historical performance: our business performance, such as growth in FFO and performance of real estate assets (including, but not limited to, occupancy, same property net operating income growth and leasing spreads); the responsibilities and performance of the executive, such as how they performed relative to their delineated goals; value created for our stockholders, such as total stockholder return (defined as distributions plus capital appreciation for a given year or period) compared to sector average and net asset value; strategic accomplishment, such as identifying strategic direction for us, and market factors, such as navigating the current economic climate and the strength of the balance sheet and debt maturities.

We compensate our Executive Officers for long-term service to us and for sustained increases in our stock performance, through grants of restricted shares. In 2012 and prior years, these shares vested equally over three years for all officers. Beginning with stock grants in 2013, a larger number of restricted share were granted to all Executive Officers but the shares vest over a ten-year period, which the Compensation Committee believes appropriately aligns the interest of senior management with that of the stockholders. The aggregate value of the

long-term incentive compensation granted is based upon established goals set by the Compensation Committee, including an assessment of FFO as compared to budgeted or targeted goals; FFO growth year over year as compared against the peer group; the identification of strategic initiatives, their execution and the anticipated long-term benefits to stockholders; and overall stockholder value and performance based upon the above metrics and in relation to the peer group performance.

The Compensation Committee determines the number of shares of restricted stock and the period and conditions for vesting. The Compensation Committee awarded equity compensation to our Executive Officers and senior management team based primarily on the strategic initiatives and decisions made during 2015. On January 2, 2016, the Chief Executive Officer was granted 16,279 shares of restricted stock that vest equally over ten years, the Chief Financial Officer was granted 11,628 shares of restricted stock that vest equally over ten years, and the CFO & Treasurer of NetREIT Dubose Model Home REIT, Inc., and Chief Executive Officer of NetREIT Advisors LLC was granted 8,720 shares of restricted stock that vest equally over ten years.

Perquisites and Other Personal Benefits

We provide our Executive Officers with perquisites and other personal benefits that we and the Compensation Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to the Executive Officers.

We maintain a 401(k) retirement savings plan for all of our employees on the same basis, which provides matching contributions at the rate of 100% of the employee’s contributions up to 4% of their salary. Executive Officers are also eligible to participate in all of our employee benefit plans, such as medical, dental, group life, disability and accidental death and dismemberment insurance, in each case on the same basis as other employees.

Employment and Severance Agreements

We employ Mr. Heilbron as President and Chief Executive Officer of the Company, Mr. Elsberry as Chief Financial Officer of the Company, and Mr. Dubose as Chief Financial Officer of NetREIT Dubose Model Home REIT, Inc., and CEO of NetREIT Advisors, LLC pursuant to employment agreements, each effective as of January 1, 2011 and filed in their entirety with the SEC as exhibits to the Company's Current Report on Form 8-K filed on January 24, 2011. Under their respective employment agreement, Messrs. Heilbron, Elsberry, and Dubose are entitled to (a) a base annual salary, (b) an annual bonus compensation of up to 100% of base salary, (c) participation in the Company's welfare benefit plans, practices, policies, and programs and (d) an automobile allowance. The bonus compensation is awarded upon achievement of targets and other objectives established by the Board or the Compensation Committee for each fiscal year.

As set by the January 1, 2011 agreements and as amended by the Board pursuant to those agreements, for 2016 the annual base salary rate for Mr. Heilbron is \$321,059, Mr. Elsberry is \$218,320 and Mr. Dubose is \$100,000. The Compensation Committee recommended and the Board approved increasing the annual base salary rate for Messrs. Heilbron and Elsberry by four percent (4%) based on the accomplishments to target goals during 2015. Mr. Dubose's base salary rate was increased to \$100,000 based on the anticipated increase in the Model Home business. Messrs. Heilbron and Elsberry's employment agreements each had an initial three-year term, while Mr. Dubose's employment agreement had an initial one-year term. All terms are extended automatically for additional one-year periods unless either the Company or the employee notifies the other party in writing not less than three (3) months prior to the last day of the employment term. The agreements also provide that the executives will be entitled to certain compensation and benefits upon a qualifying termination of employment.

Long-Term Incentive Compensation Awards

Stock awards are issued to our executive officers under our 1999 Incentive Award Plan at the Compensation Committee meeting in December of each year. Such stock awards are effective as of January of the following year. The stock awards granted vest evenly over ten (10) years on December 31 of each year. Distributions are paid on the entirety of the grant from the grant date.

As of December 4, 2009, the Board adopted a 401(k) plan and discontinued the Simple IRA plan effective January 1, 2010. All employees including the executive officers are eligible to participate. The Company matches the employee's elective deferral up to four percent (4%) of the employee's compensation. In 2015, employees could contribute up to \$18,000 of their salary, subject to annual limits under the Internal Revenue Code of 1986, as amended.

Outstanding Equity Awards at Fiscal Year End

AUDIT COMMITTEE

General

Mr. William H. Allen has been a member of and the Chairman to the Audit Committee since February 2010. The Board has determined that Mr. Allen qualifies as an audit committee financial expert, as defined by the SEC. All of the members of the Audit Committee are “independent” within the meaning of the NYSE MKT Rules, the Company’s director independence standards and the audit committee requirements of the SEC.

The Audit Committee shares responsibility for performing risk assessment within the Company. The Audit Committee is responsible for discussing with management the guidelines, policies and processes relied upon and used by management to assess and manage the Company’s exposure to risk.

The Audit Committee ensures that procedures have been established for the receipt, retention and treatment of complaints from Company employees on accounting, internal accounting controls or auditing matters, as well as for the confidential, anonymous submissions by Company employees of concerns regarding questionable accounting or auditing matters or other potentially material risks.

The Audit Committee’s principal responsibilities include:

- Assisting the Board in fulfilling its responsibility for oversight of the quality and integrity of the Company’s accounting, auditing and reporting practices;
- The ultimate authority over the appointment, retention, compensation, oversight and evaluation of the work of the Company’s independent registered public accounting firm; and
- The selection, approval and engagement of the Company’s independent registered public accounting firm, including approving any special assignments given to the independent accounting firm and reviewing;
- The independence of the independent registered public accounting firm;
- Our guidelines and policies with respect to risk assessment and risk management
- Our compliance with legal and regulatory requirements;

In determining whether to reappoint the independent registered public accounting firm as NetREIT’s independent auditor, the Audit Committee takes into consideration a number of factors, including audit fees, the expertise of the lead audit partner with respect to real estate and, specifically REIT’s, the length of time the firm has been engaged by the Company, the quality of the Audit Committee’s ongoing discussions with its independent registered public accounting firm and an assessment of the professional qualifications, external data relating to audit quality and performance, including recent Public Company Accounting Oversight Board reports relating to our independent registered public accounting firm and past performance of the firm’s lead audit partner responsible for the audit of NetREIT. The Audit Committee has also been involved in the selection of the lead audit partner.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of NetREIT, Inc. is comprised of independent directors. During 2015, the Committee was comprised of William H. Allen (Chairman) and Mr. David T. Bruen. The Audit Committee met five (5) times during 2015.

The Audit Committee operates under a written charter, which was adopted by the Audit Committee in 2005 and amended in 2010, 2012, 2013, and 2015 and is available on the Company’s corporate website at www.netreit.com. Management of the Company has the primary responsibility for the preparation of the financial statements as well as executing the financial reporting process, principles and internal controls. The independent registered public accounting firm is responsible for performing an audit of the Company’s financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally

accepted in the United States. The Audit Committee is responsible for assisting the Board in overseeing the conduct of these activities by the Company's management and the independent auditors.

In this context, the Audit Committee has reviewed and discussed the audit of the financial statements, for the year ended December 31, 2015, with Squar Milner LLP ("Squar Milner" our independent registered public accounting firm).

The Audit Committee has discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standard No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the auditors their independence from NetREIT. The Audit Committee has also considered whether the independent registered accounting firm's other non-audit services to the Company are compatible with maintaining the registered public accounting firm's independence.

Four meetings were to review and discuss quarterly and annual filings with the SEC including required audit committee communications by Squar Milner. These meetings were also intended to complete annual and quarterly tasks as required by the Audit Committee Charter. Following discussions and a complete review of the financial statements, the Committee approves and authorizes for filing the financial report filing (Forms 10-K & 10-Q's) prior to management filing of these statements with the SEC. Based on the review and discussions described in this report, the Audit Committee recommended to the Board of Directors that the December 31, 2015 audited financial statements be included in our Annual Report on Form 10-K for filing with the SEC.

Once a year, in advance of the upcoming annual audit, the Committee and management meets with Squar Milner to discuss the upcoming annual audit. The discussions include identifying critical audit areas, accounting and reporting controls and the overall audit approach.

During the year ended December 31, 2015, Squar Milner LLP served as our independent auditor. Squar Milner LLP has served as our independent auditor since 2009. The Audit Committee reserves the right, however, to select a new auditor at any time in the future in its discretion if it deems the change would be in our best interests. Any such decision would be disclosed to the stockholders in accordance with applicable securities laws.

Audit Fees and Pre-Approval Policies

The following table presents fees for professional services for fiscal years 2014 and 2015. Squar Milner LLP rendered services for the audit of our annual consolidated financial statements for fiscal years 2014 and 2015.

	2014	2015
Audit fees for year-end financial statements	\$ 102,000	\$ 111,000
Quarterly review fees	\$ 39,000	\$ 39,000
Acquisition audit related fees	\$ 23,000	\$ 18,000
Consulting and other matters	\$ 0	\$ 0
Total fees	\$ 164,000	\$ 168,000

Audit fees represent fees for professional services in connection with our annual audit of our consolidated financial statements and quarterly reviews, other SEC filings including acquisition audits, consents and other accounting related services. The Audit Committee reviews and approves these fees taking into consideration the quality and timing of service and the competitiveness of the fees charged. The audit committee believes that audit independence has not been impaired as a result of the non-audit services provided.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors currently anticipates that it will engage Squar Milner LLP as our independent auditor to audit our financial statements for the year ending December 31, 2016, subject to agreeing on fee estimates for the audit work. A representative of Squar Milner LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires. The representative also will be available to respond to appropriate questions from our stockholders.

Although it is not required to do so, our Board is submitting the Audit Committee's appointment of our independent registered public accounting firm for ratification by our stockholders at the Annual Meeting in order to ascertain the view of the stockholders regarding such appointment.

In the event stockholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain our independent registered public accounting firm at its next scheduled meeting. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

RECOMMENDATION OF THE BOARD OF DIRECTORS

Our Board unanimously recommends a vote FOR ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm for the year ending December 31, 2016.
